

Hello IL Colleagues,

OCYF has created a visual aid to assist with better understanding the National Youth in Transition Database (NYTD) data collection timeline. This tool depicts the reporting periods, the data submission due dates, and what data is to be reported.

All data can be submitted through the www.GetNYTDpa.org website. If you need assistance with submitting your data, please reach out to the GetNYTD support team directly at (800) 436-4105 or by email at getnytd@pcgus.com.

Per NYTD guidelines, all activities related to survey completion need to be documented in case notes including:

- When each survey is completed with the youth
- When and how (phone call, email, mail, etc.) a youth was invited to participate in the survey
- When, how and what type of incentive the youth received

If a youth refuses to complete the survey, all attempts to engage them in completion of the survey should also be documented.

OCYF appreciates your assistance in helping Pennsylvania with meeting the required threshold of each particular reporting period. Not reaching the required threshold will result in a penalty being applied to Pennsylvania's Chafee allocation, which affects the federal funding available to support services for older youth participating in Independent Living.

Thanks,

Meghan O'Hare, MSW
